## PARIS THROGGED WITH EXCITED FIGHT FANS

**Championship Battle Attracts Thousands from America; Johnson Picked to Win. Odds 3 to 1.**

(By Licensed Wire to Evening Herald.)

Paris, June 27.—French sportsmen and thousands of Americans and other foreign followers of boxing were gathered in Paris today, awaiting the fight tonight for the heavyweight championship of the world.

Frank Moran of Pittsburgh and Jack Johnson, holder of the title since he defeated Jeffries on July 4, 1910, at Reno, will meet in the ring at the great Velodrome d'Anvers at 10 o'clock tonight to fight for twenty rounds under Queensbury rules.

On every hand the question was discussed whether the white challenger was capable of wresting the title from the negro holder. Each combatant expressed strong confidence in his own chances of victory, but the betting odds were 3 to 1 in favor of Johnson. Johnson said today:

"I was never more sure in my life. It is now a question of true sportsmanship. If Moran wins tonight he will win by strength, skill and better generalship. If he wins I shall be the first to congratulate him and it will be from the bottom of my heart."  
Moran said:  
"It will be a tough fight while it lasts, but I do not think it will last long. I cannot figure it is going to last twenty rounds. I am in the best condition of my career and naturally don't expect to be the loser."

**NO REAL REASON WHY JOHNSON SHOULD BE BEATEN**  
When Contender Moran and Champion Johnson engage in battle in Paris tonight with the heavyweight title at stake, Johnson will have the advantage in weight and experience and Moran will have the advantage of youth. As for ring generalship and ability to land a knockout punch there is no comparison between the negro and the white man. Johnson

if he is in good physical condition when he enters the ring, should outlast Moran from going to going in every round.

Moran's record as a pugilist is not overly attractive. He began as a professional in 1910, fighting fifteen times, most of his opponents being meal ticket butchers. He met Johnson in Pittsburgh in a four-round affair and was a toe in the hands of the champion.

In 1911 Moran boxed no decision bouts with Dummy Maxon and Al Palmer in Brooklyn, beating Maxon and drawing with Palmer. In 1912 Moran made a poor showing in ten rounds against Al Kauffman. Tom Kennedy knocked out by Bombardier Wells held Moran to a ten-round draw, and Tony Russ beat the present contender in ten rounds in Cleveland. Moran then knocked out Dave Willis in Juarez in eight, later losing a decision to Jack Geyer, a fifth later in San Francisco, in four rounds. December 27, 1912, Gunboat Smith chased Moran around the ring in New York for twenty rounds, getting the decision on points. In 1913 Moran was decisively beaten in ten rounds by Luther McCarty. Moran then beat Tom Logan and later stopped Al Palmer in seven rounds, when Palmer should have been kept out of the ring because of his condition. Moran after beating Palmer carefully sidestepped bouts with Gunboat Smith and Sam Langford and went after the money in the Johnson match.

Strange things happen in prize fights. Moran may win from Johnson tonight. But the dope reads all the other way. If Johnson wants to stop Moran he should be able to do so with ease at any time after the twelfth or fourteenth stanza.

## Claflin Stores to be Successfully Reorganized

(By Licensed Wire to Evening Herald.)

New York, June 27.—With the noteholders' committee acting as a funnel for claims pouring in from banks all over the country, there were today increasing hopes of reorganization for the H. B. Claflin company and its string of dry goods stores.

Confident in the ultimate success of some reorganization plan which would put the crippled company on its feet was manifested in the attitude of Gregg and McDevore, counsel who filed involuntary petitions in bankruptcy for some of the creditors at the same time the suits in equity brought about the receivership on Thursday. The lawyers have expressed no intention of interfering with Joseph H. Macindate and Frederick A. Joutard, the receivers named in the equity proceedings so long as they are convinced their clients are being paid. The involuntary petition is pending in the courts.

A statement was issued today in behalf of the merchandise creditors, urging that the assets of the retail stores be guarded wherever possible.

## MORE SIGN UNDER COMMERCIAL CLUB STANDARD

Continued success marks the campaign of the Commercial club for new members. Today was the third day of the campaign, and a total of 100 new names had been added to the roster since Thursday. Today's committee, which worked only half a day, equalled the success of the committee which went out yesterday. Fifty names were added the first day, twenty-five more swelled the list yesterday, and another quarter hundred of recruits were enrolled today.

A fourth committee will go out Monday, promising the campaign an energetically as their predecessors in the field. The aim is to bring the membership of the club to 500, and the accomplishment of it seems certain in view of the success that has attended the recruiting so far.

Col. J. G. Albright is conducting an independent campaign for members. He will not report until July 1. He has a batch of new members in line and more prospects in sight. His aim is to bring down in with the names he files. He means to collect from all the recruits he lays, which, he maintains, is the proper way to sign new members.

## SOCORRO COUNTY LAW MILL RUNS SWIFTLY

Celerity in law is not confined to New Jersey, although "Jersey justice" is supposed to be the swiftest thing of its kind. Special Agent George H. Thomas of the Santa Fe force figured in a case this week in which the legal wheels whizzed.

The case began with the disappearance of 25 bottles of beer from a commercial car subterranean at San Antonio. Mr. Thomas got to San Antonio on the case at 4 a. m. At 9 a. m. he had Deontolo Garcia, Jesus Najon, Encarnacion Abalos and Modesto Estrada in custody. At 1:30 they were held for the grand jury, and at 2:45 they were behind the bars of the Socorro county jail.

Garcia and Najon pleaded guilty. The other two denied guilt, but Garcia and Najon went to the stand and testified that they took part in the raid on the beer.

## WOMAN COMPLAINS OF ANOTHER ALLEGED SAN

Another complaint based on the ordinance maintaining sanitariums within the city limits has been filed with Mayor Boardman. It is directed against a boarding house on South Edith street by a woman who says she cannot rent a vacant house belonging to her because the alleged sanitarium is next door.

# Summer by the Great Lakes

Chicago is the gateway to the lake region. From here radiate most of the important water trips. You can make a circle of the Great Lakes resorts, including those of Wisconsin, Northern Michigan, and Georgian Bay. Then visit Buffalo and Niagara Falls, the Berkshires of New England and the Adirondacks of New York, with a few days' stop at Atlantic City. The low summer tourist fares on the Santa Fe bring this trip within the reach of all.

I have some interesting illustrated travel books for you, and will be glad to furnish sample itinerary.

Remember that best service to Chicago, the Great Lakes gateway, is via the Santa Fe.
